Rome

Colosseum

Monday

Do you believe it? I'm here in Rome. We arrived (arrive) here this morning after a long overnight flight from the States. I was (be) tired because I didn't sleep (not sleep) on the plane. But I was (be) excited at the same time. We took (take) a shower and rested (rest) for an hour or so. Then we went (go) out just to walk the streets of Rome. We walked (walk) to the Spanish Steps, a lively place where tourists and young people like to meet. There we ate (eat) some pizza and tried (try) gelato, Italian ice cream. We met (meet) many young Americans, who gave (give) us tips on places to visit.

Tuesday

The Colosseum is the most famous symbol of Rome, so we decided (decide) to go there on our first full day. There were (be) lots of people in line and we waited (wait) for a while. We learned (learn) that the huge building was (be) the site of entertainments, such as fights between professional fighters, two thousand years ago. Outside I saw (see) men dressed up as ancient Roman soldiers, and someone took (take) my picture with one of them. I am going to upload my photos soon. I'll tell you more tomorrow.
